

ST. SEBASTIAN BAND LESSONS

August 2010

Dear Parents and Students,

All students in grades 5-8 are invited to enroll in band lessons at St. Sebastian School. These lessons will be held on Tuesdays, during the school day, beginning September 28th.

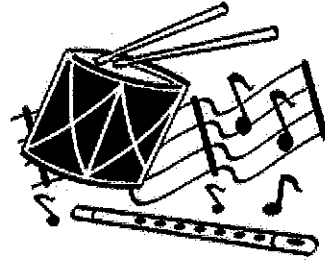

Each student will receive a specialized 30 minute group or 20 minute individual lesson once per week. The lesson fee is \$15 per lesson with monthly payments due at the beginning of the month. Fees for additional students in a family are reduced to \$12 per lesson (*for example, the first five week period of September 28th - October 26th will be \$75 with additional students in the same family at \$60 each*).

To enroll in the lesson program, please complete and return the attached form along with the monthly lesson fee to the school office. *Note: a registration/material fee of \$25 will cover educational items throughout the year including the lesson book.*

Band instruments that students may select from are **flute, clarinet, saxophone, trumpet, trombone, or snare drum**. You are free to rent or purchase instruments from any music store that is convenient for you. Please ensure any used instruments are in good operational condition. Local music stores can assess the working order of an instrument.

Please contact Mrs. Hartley with any questions you may have.
