

Student Drop-Off and Pick-Up Safety Procedures

Please refer to the map on reverse.

Morning

- Enter the parking lot from 55th Street. Enter the “Drop-Off Alley” and go to the *farthest point* possible in the alley.
- Once you are in the Drop Off Alley, children will exit their car from the passenger side. (Children exiting from the driver side of the car must cross in front of *their own car*, not behind their car.)
- Students walk to the Student Safe Zone and wait with their designated class.
- For parents needing to go into school, park in one of the designated parking spots or in available legal street parking.

Afternoon

- Enter the parking lot from 55th Street. Park and turn off the engine.
- Walk to the Student Safe Zone and escort your child(ren) to your car.
- Proceed with extreme caution when exiting the parking lot as other families may still be walking to their car.
- You may also park on 54th St. and pick up your child(ren) in the Student Safe Zone. *Do not double park on 54th St.*

Morning Kindergarten

- Follow morning safety procedures for drop off.
- For pick-up: Park on 54th Street. The children will be ready to be picked up from the Third Grade door (East door on 54th St.).
- The children will not be released until a parent or guardian is present.

Afternoon Kindergarten

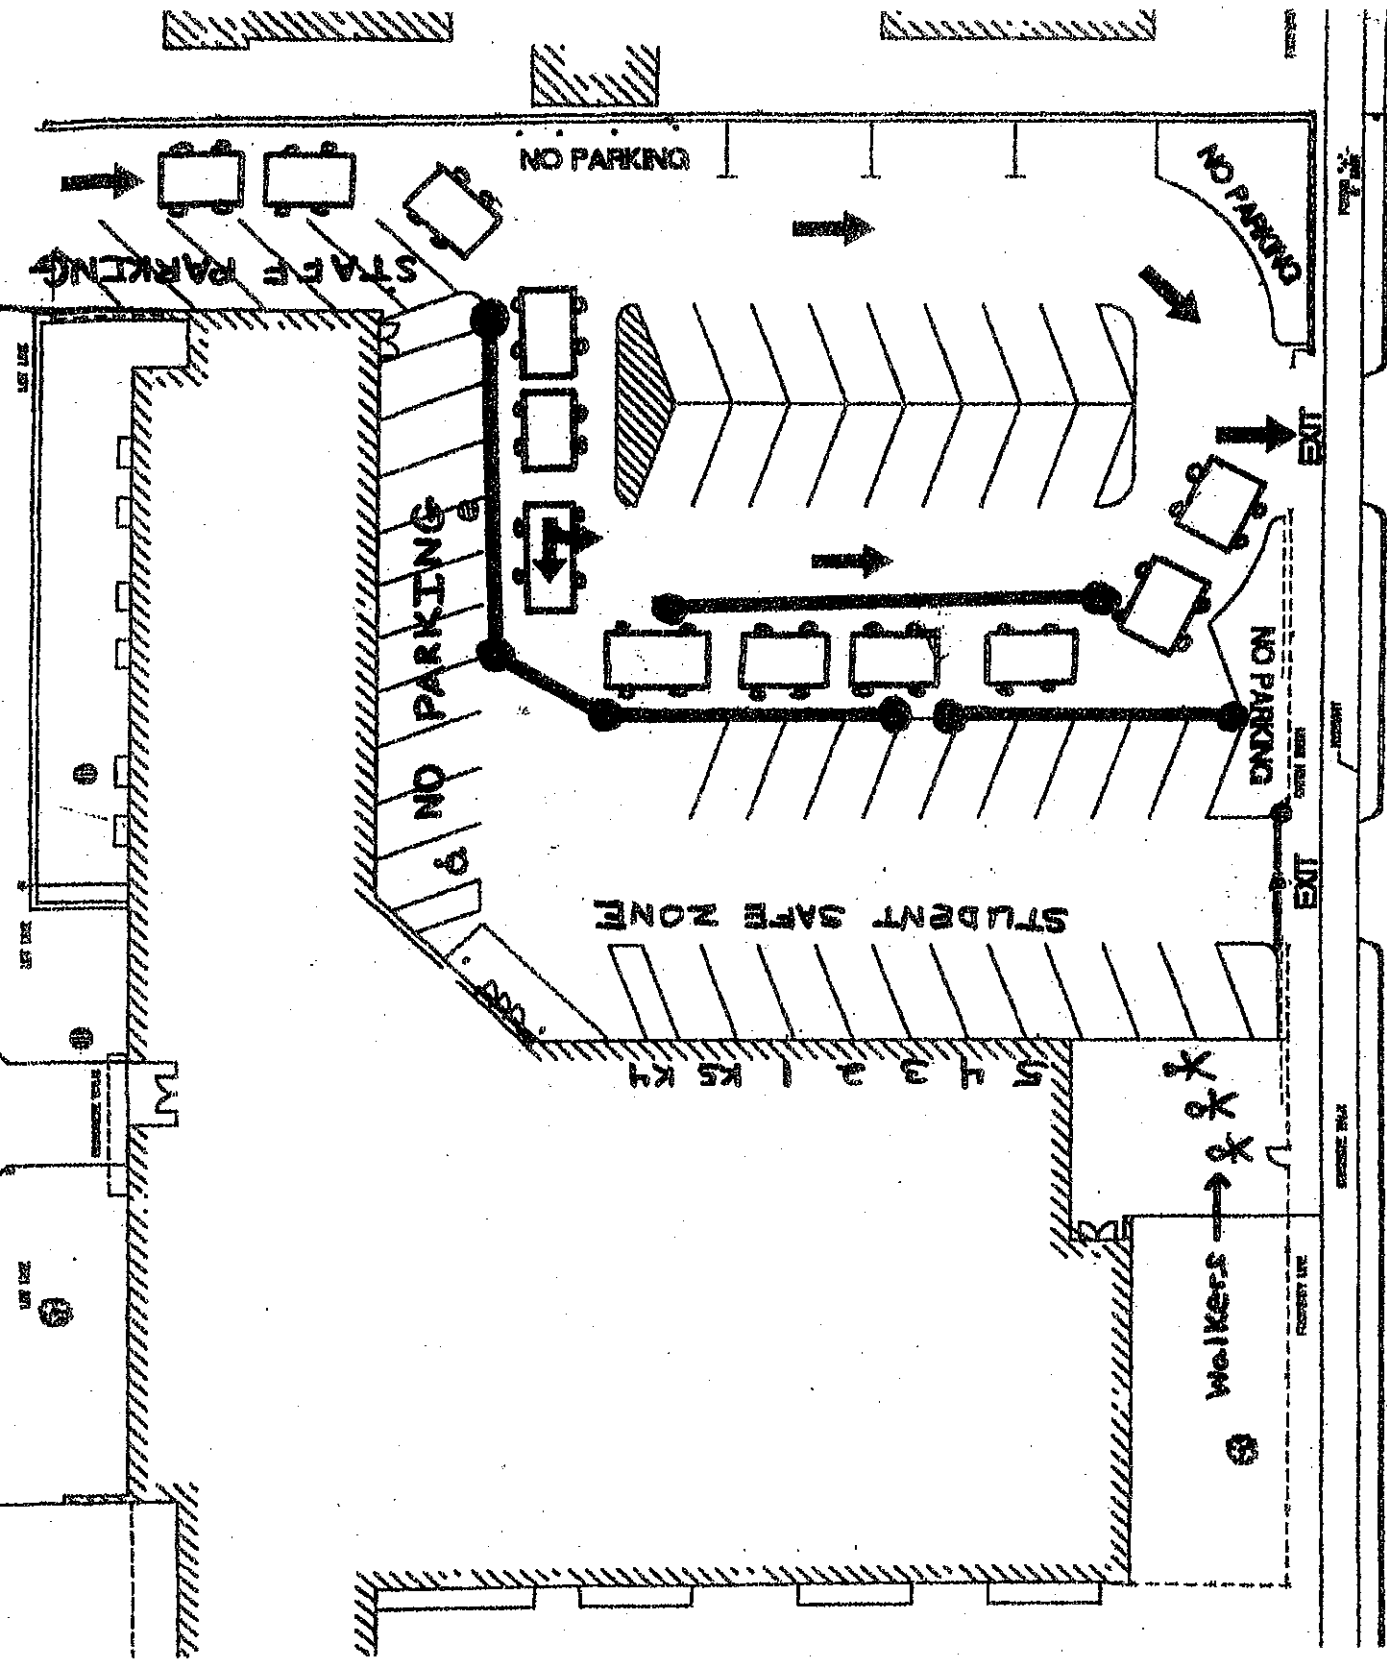

- Drop off children at noon at the PAL door (door near the kindergarten rooms)
- For pick-up: Follow afternoon procedures.

Bicycle Riders

- Students riding bicycles are required to park them properly in the rack located next to the main school doors. Bikes are to be “walked,” not ridden, on the school property.

Walkers

- From 54th St., students enter the parking lot at one of the two entrances in the Student Safe Zone area and wait with their designated class. Do not enter where cars are exiting.
- From 55th St., *walk as close to the school building as possible*. Students proceed to the Student Safe Zone and wait with their designated class.
