Negative balance lunch accounts need to be paid by June 7, 2010. Student's not returning next school year with money in their account will get a refund. Call the café with questions at 453-6850. This year was a challenging period due to high costs of food and supplies the economy and declining enrollment. However, the staff continued to serve nutritious meals within our limited budget. We will continue to strive to provide a variety of healthy low fat meals. We wish to thank all of you who supported us.
