

## Expectations and Book Limits for Grades K4 – 8

All students are required to use a library pass when they come without their class.

All students receive a one day grace period for books that are due.

**All students may use the computers in the library to take Accelerated Reader quizzes.**

**Overdue and Fine notices** are sent out weekly. Students are expected to return their overdue books as soon as possible and pay their fines before their next library class.

**K4 and K5:** One book a week for one week.

- K4 and K5 never have fines.
- K4 & K5 books are in the wooden bins near the door. The books are taken out for **one** week.
- We will give them a book even if they have forgotten to bring theirs back. However, we may need to withhold books if they now have several books "lost".

**1st Grade:** Two books a week for one week

- One book must be in their reading level after first quarter.
- They may choose one for someone to read to them.
- Maximum number of books out at one time is three.

**2<sup>nd</sup> Grade:** Two books a week for one week.

- They must be able to read one of their two choices.
- Fines begin with this grade level for overdue books.

**3rd Grade:** Maximum number of books for two weeks is four.

- We encourage the students to pick certain types of books along with their choice books; for example, the first week, they are to choose a nonfiction book and a fiction book.

**4th Grade:** Maximum number of books for two weeks is four.

- They are encouraged to only take what they can read in two weeks.

**5th Grade:** Maximum number of books for two weeks is four, including any books needed for projects.

**6th, 7th and 8th Grades:** Maximum number of books for two weeks is four.

- 6<sup>th</sup> grade students come during their assigned class times. These students are also given use of the library to take make-up tests or to study together.
